

## Buying an **ActiVHeat** Gift Certificate to include Shipping, Handling & Tax costs for your Recipient.

**See Diagram on next page >>**

1. From the choices on the left, select the products for which you wish to purchase a gift certificate, and Add these to your Cart. (Estimate sizing if relevant).

You will come back to the Gift Certificate later.

2. When you have Added all the items to your Cart enter the recipients delivery zip code and state:

A form titled "Calculate Shipping Method/Rates:" with three fields: "Country:" with a dropdown menu showing "United States", "State:" with a dropdown menu showing "Then, Select State", and "Zip/PostalCode:" with a text input field.

3. Click the button.
4. Make a note of the revised **\$XXX.XX** total that now includes shipping, tax and handling costs. (You now have the total amount of your gift certificate that will cover the shipping and handling costs for your recipient.)
5. Click the “**Empty My Entire Cart**” link.
6. On the left side, select the Gift Certificate option from the Gift Guides tab:

7. Now, Add the Gift Certificate to your Cart and use the amount that you noted above for the Gift Certificate.

(Please note that shipping & tax costs do change over time so your gift will only reflect shipping, handling & any tax at the time of placing this gift certificate order)
